• Summary

Aspiring Django Developer

I'm a Python and Django developer with a hunger for building powerful web experiences. I honed my skills with BCA from BN Mandal University and a comprehensive Django course from Durgasoft. Currently, I am pursuing my passion in building an ecommerce application using Django, Bootstrap, and SQLite. Let's create something amazing together ! Recent Graduate with a Bachelor's degree in Computer Science. Eager to contribute my skills in web development and problem-solving. Proficient in Python and excited to learn more.
